

Limited Warranty

ALFRESCO Outdoor Kitchens makes every effort to ensure that its products meet the high quality and durability standards that our customers want and need from their outdoor cabinetry. ALFRESCO Outdoor Kitchens warrants to the original purchaser of the cabinetry (the "Customer") that our outdoor cabinetry will be free from defects in manufacturing, workmanship and materials, for as long as the Customer owns and resides in the home in which the cabinetry is installed, subject to the limitations listed below.

1. This warranty only covers cabinetry orders submitted to ALFRESCO Outdoor Kitchens on or after Sept 25, 2019.
2. Resin material will be warranted for five years from the delivery date to the dealer.
3. This warranty registration form must be completely filled out and returned to ALFRESCO Outdoor Kitchens no later than 30 days after delivery of the cabinetry to the Customer.
4. ALFRESCO Outdoor Kitchens must receive payment in full for the cabinetry to which this warranty relates in order for this warranty to be valid and effective.
5. The Customer must provide the original sales invoice and the original dated copy of this warranty before any warranty work will be commenced by ALFRESCO Outdoor Kitchens.
6. This warranty is not transferable. This warranty may be relied upon only by the original Customer.
7. This warranty is for residential use only, no other warranty is applicable to this product.
8. This limited warranty does not apply to damage or defects resulting from natural disasters, such as fire, floods, tornadoes, hurricanes, accident, defective or improper installation, improper transportation or delivery, improper storage prior to installation, improper handling, abuse or misuse, use of the cabinetry for purposes other than those specified in our care, use & installation literature, negligence of the deliverer, installer, purchaser or any party other than ALFRESCO Outdoor Kitchens, extremes of temperature and/or humidity, unreasonable wear and tear, vandalism, damage to the finish caused by the use of inappropriate cleaning products or cleaning methods that are not specifically outlined in our care, use & installation literature, or failure to provide reasonable or necessary maintenance.
9. This warranty does not cover any damages caused by modification of any cabinet component by the dealer, installer or homeowner. Example: This warranty does not cover cabinet modifications made for grills, or cut outs made on panels, doors, components etc. around building obstructions such as beams, columns etc.
10. This warranty does not cover any damage that is caused by improperly installed appliances. PVC and Resin are considered combustible materials.

12. This warranty will not cover any bleaching or warping of the glass material (especially Black TEMPERED GLASS) due to direct sunlight or high heat/extreme temperature exposure. All TEMPERED GLASS must be 100% covered before, during and after installation. Before and during installation, a white plastic cover is acceptable. Final installation cover should include bench top.
13. This warranty will not cover any bleaching or warping of the TEMPER GLASS material due to direct sunlight or high heat/extreme temperature exposure and/or gravity. All TEMPER GLASS & aluminium components (especially those TEMPER GLASS black on the back) have a tendency to warp if positioned vertically against a wall and/or other structure before and during installation. ALFRESCO Outdoor Kitchens recommends laying these components flat, finish side up before and during installation.
14. Appearance of corrosion, salt/calcium build ups on hinges and drawer tracks is not covered as long as the mechanism is functional.

17. ALFRESCO Outdoor Kitchens continuously refines and improves its products. We reserve the right to make changes in the product design, construction, materials and specifications without prior notice.
